```scss
.header_with_logo
{
    .site_header{
        display: flex; align-items: center;
        img { width: 100%; }
        nav {
            flex: 1;
            ul {
                li { flex: 1; text-align: center; }

                // Either or LIKE THIS BETTER ^^^
                //display: flex; justify-content: space-around;
            }
        }

        @include media($tablet)
        {
            flex-direction: column; align-items: stretch;
        }
    }
}

//////////////////////////////////

.media_object
{
    .comment {
        display: flex;
        img { margin-right: 1em; }
    }
}

//////////////////////////////////
